# ITALIAN PASTA

Bronze die, 14% protein

Premium Italian pasta maker Garofalo has been making high quality pasta since 1789 in Gragnano, the birthplace of pasta in Italy.

Making handcrafted pasta for Garofalo does not mean having out dated machines or producing product by hand, but knowledge, modern technology and a sound philosophy of production.

As artisans do, Garofalo carefully control every single aspect of the process until the final result is what they consider the absolute best pasta.
