TASK

PRODUCT & DESCRIPTION

Crockery, Cutlery, Kitchen Utensils, Pots & Pans

24186 *

Concentrated Washing up Liquid
Dilute up to 1:500 in hot water, agitate with a wipe or a brush and leave to drain. Safe with all types of crockery, cutlery and cooking utensils. For best results, rinse all dishes in fresh clean water. It is recommended to wear gloves whilst using this high active washing-up liquid.

Machine Glasswashing, Machine Dishwashing

21186 *

Auto Dishwash Liquid - Soft Water
Always follow machine manufacturer's instructions. Dilute at 1:500.

Machine Rinse Aid

19186 *

Rinse Aid
Always follow machine manufacturer's instructions. Dilute at 1:600. Recommended rinse temperature is 80°C.

Urns, Kettles & Bain Maries

09186 *

Descaler
Kettles, bain-maries, boilers etc - fill with a 5% solution of descaler and leave until a bubble generation subsides. Ceramic and stainless steel surfaces - wipe over with strong solution of descaler. Sinks - use neat. All operations should be thoroughly rinsed several times afterwards with fresh clean water.

Work Surfaces & Chopping Boards

98183 *

Spray & Wipe Anti-Bacterial Cleaner
Spray directly onto the surface and scrub loose any debris. Leave 2-3 minutes for the bactericide to work and dry with a clean cloth or paper.

Ovens, Grills & Griddles

27149 *

Oven Cleaner
Warm oven to 50°C, apply the cleaner and allow up to 30 minutes for it to work. Agitate with a brush or a scraper to remove accumulated grime. Rinse well with clean water, then dry.

Fat Fryers, Extractors, Filters, Hoods & Ducting

10186 *

All Purpose Degreaser
Removal of heavy fat and grease deposits - dilute up to 1:10 with water. General cleaning of food debris and food machinery - dilute up to 1:100 with water. It is recommended that the cleaned surface be rinsed with clean water in all cases.

Fridges, Freezers & Storage Rooms

11186 *

Heavy Duty Cleaner Sanitiser
For general use - dilute 1:25 spray or wipe over surface. For heavy grease and grime - dilute 1:5 or use neat.

Skincare Hygiene

08786 *

Bacterial Hand Soap
Apply a small amount to the hands. Rub in well, taking particular care with nail beds and rinse well with clean water.
